

STATEMENT OF CONFORMITY

Certificate No:
5375-2014-CE-IND-DNV Rev 1.0

Initial certification date:
16 October, 2014

Valid:
08 December, 2017 – 07 December, 2020

This statement consists of 3 pages

This is to certify that

That the product(s)

Fittings

Manufactured by

Arya Crafts & Engineering Pvt. Ltd.

444 & 445, GIDC Industrial estate, Por-Ramangamdi, Dist. Vadodara – 391 243,
Gujarat, India

is found to comply with the requirements applicable to it. The product has been assessed with respect to the Essential Safety Requirements, Annex I para 3 in the Pressure Equipment Directive 2014/68/EU

Applications/Limitations

- Pressure ratings are as listed in section 2 of TCF
- Component shall not bear CE marking and shall not draw Declaration of Conformity according to Pressure Equipment Directive
- For pipe fittings, the raw material used in the construction shall comply with Annex I clause 4.3 of PED 2014/68/EU
- Manufacturer shall give affirmation of compliance with the technical order specification

Place and date:
Chennai, 08 December, 2017

Applicable Standards

ASTM F 1387

Document reference

ACE/001/TCF R1 Date:- 2017-10-15

Terms and conditions

The statement is subject to the following terms and conditions:

- The Technical Construction File is reviewed for the equipment listed above only. Equipment design review is optional and not covered under DNV GL assessment. For other equipment and ranges, an application for extension of the statement must be sent to DNV GL Business Assurance India Pvt. Ltd, Vadodara office
- The components are not subject to CE-marking
- Product liability rests with the manufacturer. In case of damages caused by defective products, Council Directive 85/374/EC, as amended, will apply;
- Periodical audits and unexpected visits will be held, in order to verify that the manufacturer duly fulfils the obligations arising out of the approved quality system;
- The manufacturer shall fulfil the obligations arising out of the quality system as approved and uphold it so that it remains adequate and efficient;
- The manufacturer must give information of any intended adjustments of the Quality System to DNV GL Business Assurance India Pvt. Ltd, Vadodara office, who will assess the changes and decide if the statement remains valid;
- Manufacturer shall fulfill the documentation requirement of WGP guideline G-19
- The assessment is carried out on sampling basis. Manufacturer shall keep all type testing records and reports for all sizes compliance to applicable standard

The following may render this statement invalid:

- Changes in the quality system affecting production;
- Periodical audits not held within the allowed time window.
